

SUPPORT INDEPENDENT AUTHORS! ORDER DIRECT...

This compilation of over 200 images presents some of the finest work being done both in the islands and abroad. In addition, thirty of today's top tattooists are featured, presenting their personal stories and approaches to their work.

296 pages, full color
\$22.95

An in-depth look at Hawaiian tattooing in both ancient and modern times. Over 50 drawings from early accounts and a complete compilation of historic reports on the art are followed by a detailed discussion of early techniques and tools. Prominent members of the Hawaiian community share their personal stories and discuss the art as practiced today.
